Dear Mr. Fallaw:

I have your letter of March 20, 1959 addressed to Miss Margaret Moellering. We have received your two lots of Lincoln Honduras stamps; namely, the short set of five which sells for 30¢ (which shows all the different views that will be depicted on all values that will be issued) and the set of twelve (which is one of each stamp issued). Should this set not include the Lincoln Memorial of 5 Centovos making it a short set of 6?

I will want to purchase sheets of 25 stamps of the short set which will cost $5.75.

I do not want to purchase sheets of the airmails if they will run as high as $162.50. However, over a period of time I might want to purchase these sheets one at a time.

I am interested in any interesting combinations, pairs, blocks of four etc. I am also interested in souvenir sheets.

Thank you for your letter, and stamps. I will remit for the stamps upon receipt of your invoice.

Yours sincerely,

R. Gerald McMurtry

Dear Mr. McMurtry:

I have shopped around and am unable to find anyone with a short set of six Honduras Linclons. The set of five enclosed is the best I can do. As I mentioned before this set of sheets will run $5.75. If this is not satisfactory, please return. I am also enclosing the Haiti Linlcoln set and souvenir sheet. They are $1.65 each or a total of $3.30. I have been trying to pick up the Indonesia Lincolns that you mentioned. I agree with Harris, they are only labels, but labels that a printer has placed a high price on. As a menber of the ASDA, the "code of ethics" does not allow us to handle such things, however, as long as you are aware of their philatelic value, I will continue to try to pick them up for you.

In your letter you mention, " I do not want to purchase sheets of the airmails (Honduras) if they run as high as $162.50. However, over a period of time I might want to purchase these sheets one at a time." Frankly, my sentiments are somewhat the same. If you will want the complete set of sheets, I will be happy to order them for you, although I must admit it will be a monetary loss

to me. The usual retail price of these is $7.08 a set or $177.00 for the set in sheets. I knocked off $14.50 for a quick sale. If you were to order just a few of the sheets it would be an almost total loss, because except to a topical collector such as you, they would sell only in complete sets, or short sets for the juvenile trade. I hope I have made my position clear in this. If you will take the entire set in sheets, I will hold them for you. If you want only a few values, other than the ones in this shipment, it will be a loss to me and I will not be able to take care of your order.

Sincerely,

G. Neal Fallaw

Dear Mr. Fallaw:

I was delighted to receive the Honduras Sheets along with the Haiti Sheet and Haiti Set. According to your invoice I owe you $15.95. Please find check enclosed.

While I am delighted with the items that I have purchased from you I do not believe that I will want to go ahead and purchase other sheets of the Honduras stamps. Please let us call the deal closed at this time.

I am also happy to tell you that I have been able to pick up the Indonesia Lincolns that I wanted. Only one of these stamps carried the portriat of Lincoln and I have acquired that stamp plus one that bears a printed surcharge. Both of these were given to me recently when I addressed a stamp club on Lincoln stamps. I [illegible] incidently mentioned that I did not have them and two men walked up and presented me with two different copies.

I will be pleased to receive other items pertaining to Lincoln which you may wish to send me on approval.

Yours sincerely,

RGH:eac
